

Fiscal Year 1996 Environmental Education Grants Program, Solicitation Notice," is extended from October 13, 1995 to December 15, 1995. The original deadline was published in the **Federal Register**, August 4, 1995 at 60 FR 39994/Notices Section.

Due to possible funding delays at the Federal level for fiscal year 1996, EPA is extending the deadline. This will enable grant applicants to spend more time preparing proposals and will give EPA time to fully determine what the changes, if any, are to its fiscal year budget. This postponement may also delay the EPA awards process until the summer of 1996. Therefore, proposed projects should have an expected start date on or after October 1, 1996, and summer projects may be planned for the summer of 1997. EPA regrets any inconvenience these delays may create for grant applicants.

EPA has been very pleased with the quality of proposals received over the past four years and looks forward to receiving new proposals for 1996. If organizations have submitted a proposal in the past and wish to re-apply, they should observe the changes in the Solicitation Notice regarding EPA priorities for funding. For a copy of the Solicitation Notice, please mail requests to: U.S. Environmental Protection Agency, Environmental Education Grants Program (1707), 401 M Street SW., Washington, DC 20460.

Dated: August 30, 1995.

Acting Director, Environmental Education Division.
